

Master of Arts in

# INTERNATIONAL AFFAIRS

CONCENTRATIONS IN SECURITY AND PEACE STUDIES • DEVELOPMENT AND GLOBALIZATION

The M.A. in International Affairs offers preparation to students for careers in an increasingly globalized world by providing them with a unique combination of analytic research and practical applications tools for employment in international affairs; international business; domestic and international non-governmental organizations focusing on poverty alleviation, human rights, or environmental policies; foreign policy organizations; government; analysis and risk management firms; homeland security, and the military.

## For students with

- an intense interest in and desire to work in professional fields related to international affairs;
- a capacity to think critically and engage in analysis;
- a willingness to develop research and practical skills;
- a strong initiative to develop professionally; and
  - an undergraduate degree with at least 18 hours in political science, international relations, or a related discipline.

## Providing

- a deep understanding of the latest research and methods in international issues;
- the skills to organize practical field projects, work in interdisciplinary teams, and prepare and conduct professional presentations;
- theoretical and methodological tools to evaluate national or international policies;
- creativity, self-reflection, and a complete understanding of foreign cultures; and
- the foundations for a professional international career and/or doctoral level study.

“The compelling changes in our economy, the dawning of the information age, and the horrible events of September 11, 2001, and their aftermath have created an unprecedented need to focus on international knowledge and skills.”

- Colin Powell,  
Former U.S. Secretary of State

Assistantships awarded  
on the basis of merit are available.

“We all live under the same sky,  
but we don’t all have the same horizon.”

- Konrad Adenaur, Former Chancellor, West Germany
